The Officer-in-Charge of Police,
TINGHA.

Please attach:-

- (a) A ground plan of the Police premises at Tingha. The dimensions of each room, the positions of windows and doors and the purpose for which each room or portion of the premises is at present used should be indicated on the plan.
- (b) A locality plan showing the situation of the Police buildings in the town. A comprehensive plan is not required. All that is necessary is a plan showing the position of the Police buildings in their relationship to the principal part of the township, the Post Office, Railway Station, Town Hall, etc., as the case may be. The streets immediately adjacent to the Police premises only need be shown.

The cardinal points of the compass, north, south, east and west, should be indicated on each plan.

No special report should be necessary. The plans should merely be returned to this Office direct with a brief forwarding report on the bottom of this sheet.
